

Kids in the Creek Participation Application

Name _____ Phone number _____ Grade level _____

School Name _____ Email address _____

Could you commit to being at the field day location from 9 am - 2 pm? _____

If we have funding available for transportation and you are interested in obtaining some of those funds, how much would you need to be able to participate? _____

Please understand the following:

- We do not always have funding available
- You will be required to complete an application for transportation funds
- You will be required to show matching funds have been acquired from another source.

Kids in the Creek is a one day field day, but we schedule a number of days depending on interest and commitment from schools and staff. Please visit the website to see the dates marked for this year and identify, by ranking them (1, 2, 3...), the days you would be available to participate.

1 _____ 2 _____ 3 _____

Attendance at *Adults in the creek* is a **mandatory** requirement for **all** teachers who participate in the field day. If you have not attended Adults in the Creek in the last five (5) years, you will be required to do so before attending the field day with your students. Clock hours are available from the NCESD.

Adults in the Creek will cover the following topics:

- Pre-work ideas to help you prepare students
- Reminders of what preparations you need to have ready prior to arrival
- An overview of the activities conducted for you to participate in and fully understand
- A copy of all the pages that each student will need to have with them
- A question and answer time between you and the activity leaders and coordinators
